The investigator will do the work for you, unlike other companies who simply tell you what to do and then wait for you to do all of the work.

**Credit Monitoring:** Get ahead of Identity Theft by having your credit reporting monitored for **only \$8.95/month!** Our credit monitoring service alerts you to any activity on your credit report at all the three major reporting bureaus. Our price not only includes credit monitoring, but also includes the ID TheftSmart™ service for all members of your household at no additional charge!
